Naveed ALAM

*Consultant Thoracic Surgeon, St. Vincent's Hospital
Senior Lecturer, University of Melbourne
Australia*

Mr Naveed Alam is a Thoracic Surgeon who has been in consultant practice in Melbourne since 2005. He consults both in Melbourne and Launceston and operates at St Vincent's, Epworth Richmond, and Monash Medical Centre.

After completing medical school and surgical training in Canada, he completed fellowships at the National Cancer Institute of Canada and at Memorial Sloan Kettering Cancer Center in New York.

Mr Alam specialises in minimally-invasive surgery (VATS and robotic-assisted) to treat a wide range of lung concerns including lung cancer, mesothelioma, emphysema, thymoma and tracheal tumours. Naveed is involved in surgical education and, as a member of the Asian Thoracoscopic Education Program (ATEP), contributes his expert knowledge to national and international training of junior and senior surgeons. He is also a senior lecturer at the University of Melbourne
